KarenLee Poter - Host of Karen Lee Poter Show & Sex Talk With My Mom Podcast, Greater Chicago Area

Hi my name is KarenLee Poter, a 60 (gasp) year old mom of three, widow, and self-proclaimed COUGAR. I've reframed the negative connotation and transformed it to be a Confident, Older, Unique, Genuine, Assertive and Racy woman. I currently host the Internet talk show, KarenLee Love as well as co-host a podcast with my comic son called, *Sex Talk With My Mom*. My mission on both platforms is to open the dialogue around relationships and sex in order to eliminate shame and foster positive communication. I began this journey back in 2006 when my husband was murdered by a disgruntled employee. Newly single, I scoured the Internet and found virtually no tips for older women entering the dating world. People shouldn't learn about sex from their peers or porn. I decided to start my YouTube channel for this purpose. Meanwhile, I wrote a book for women who wanted to learn how to get back in the dating scene based on my own personal adventures. We have been ranked on Esquire's Top 10 Sex Podcasts and were featured guests on The Today Show With Megyn Kelly. KarenLee Love can be seen on all social media platforms and on my website www.karenleepoter.com. My book, "A Cougar's Guide To Getting Your Ass Back Out There," can be found on Amazon. Sex Talk With My Mom is on iTunes, Spotify and most podcast apps. <http://www.sextalkwithmymom.com>
