CELEBRITY CHEF COOK OFF 2018 WE DID IT AGAIN Thank you so much!

Overwhelmed by all the positive support and wonderful feedback. The energy was amazing and I am so proud and honored by everyone who said a positive YES! Amidst some challenges. 1 chef did not show and 2 of the 3 female models, cancelled 72 hours before the event and the 3rd female model did not show. POSITIVE THINKING energy was amazing!!! Celebrity **Judge**, Chef Richard K. Pannell, volunteered to be a Celebrity **Chef** again. This left us minus a Celebrity Judge. Fashion Designer, Gerry Simpson volunteered to be a Celebrity Judge, lastly, two volunteers offered to help serve the Celebrity Judges, the plated Celebrity Chef dishes and YES we were able to have a positive and successful Celebrity Chef Cook Off! This is what positive thinking is all about; you keep going amidst challenges and YOU allow the positive thinking energy to flow and to help carry you through, while you achieve positive thinking successes and more! Positive Thinkers supporting other Positive Thinkers all we will do is Achieve, Succeed and Win! We so o.w.n. this! (Only Winning Now)

Hansilena (Nina) Roberts, Inspirational Speaker ~ Empowering Women Entrepreneurs to live life on their own terms, Las Vegas, Nevada

Hi, I'm Hansilena Roberts I'm a business coach that empowers women entrepreneurs to start their own business and get paid doing what they love...I encourage and empower women through my services, speaking and my Youtube videos...I began my journey in 2015 after my husband suffered from a Sudden Cardiac Arrest and survived. It was when he woke up in the hospital we decided to follow our dreams of having a freedom based lifestyle and helping others with the knowledge and experience I have in business. I remember at a very young age feeling a deep sense that I was born for a reason, with a purpose, with something more to do than just be! But for decades I kept myself small, afraid of becoming more, afraid to step out into the light, because I thought I wasn't good enough. I believe there are countless women out there just like me. Women who grew up in dysfunctional or poor families, who don't think they are enough, who don't believe they can have a better life, better friends, better relationships, and a successful business, women who are hiding out and playing small, Like me! But, I have discovered my purpose and that is to empower and inspire women who are feeling lost, ashamed, not good enough, not smart enough, to follow their purpose, to follow their passion, charge what they are worth and fulfill their destiny. Your income can only grow to the extent that you do. Believe in yourself - Know that you are full of knowledge and experience! Take inspired action - Create a plan and follow through! NEVER GIVE UP ON YOURSELF OR YOUR DREAMS - The best investment is the one you make in yourself! You can find me here: <https://twitter.com/hansilena123>

Gayle Gross, CEO of Simple Solutions to Raise Money, Colorado Springs, Colorado

Hi, my name is Gayle Gross. I founded a program for developing relationships, which helps non-profit organizations raise money. It's a process, which resources a person's natural gifts. Raising money is one of the hardest things to do and the person doing it is not always appreciated for their difficult work. They are generally not paid very well for their services and they usually burn out within 18 months. I WAS the fundraiser and there were many nights when sleep was impossible before SOAR developed. The system changed everything once it was implemented. Now, I help other fundraising professionals educate people on SOAR's system. It's win/win for everyone who gets involved. It helps to alleviate stress, increases the number of people who know about a non-profit's work, and the dollars coming in always increase. Our goal is to help non-profit organizations continue to provide services through sustainable means. People do business with people they know, like and trust. Developing relationships and maintaining them is not easy to do in today's fast-paced world. SOAR creates a way to balance the fundraising process and put a smile on people's faces. It's proven to work and it is my mission to make it available to everyone who wants to know, and wants to sleep better at night. People can learn more about SOAR at <http://soarwithnetworkfundraising.org> and through our Facebook page - <http://soarwithnetworkfundraising.com> Email is iwantto@soarwithnetworkfundraising.com if anyone has questions.
