

**Achieving Positive Thinking Worldwide  
81-0935821  
Annual Report 2018**

Positive Thinkers supporting other Positive Thinkers all we will do is Achieve, Succeed and Win!

2018 there were a record number of guests who attended this positive and free event. In total there were over 100 people who attended the Celebrity Chef Cook 2018. Before anyone can achieve and maintain any level of positive success s/he must have the inner confidence to understand challenges can be overcome.

With the positive support of celebrities as well as the community leaders, sponsors and volunteers this FREE event brought a diverse community together, in a positive way, for a second year in a row.

The Celebrity Chef Cook Off 2018 has many peoples from diverse social and economic backgrounds and different ages (15 to 75+) and genders attending this FREE charity event.

NOTE: 90% of the guests are strangers who learned about this FREE charity event from their friends, family, social media and advertising - Positive Thinking Works.

Tina Larron, one of our positive thinking attendee, shared how she was looking for a place where she can talk with people who can help her find a positive path. She also was sharing how this event was very helpful because she was having doubts about meeting like-minded people. We talked, she listened and she returned again this year. She is learning how to make positive decisions. Tina is looking for a permanent, full time job, and is understanding how to achieve a positive future through positive thinking. She understands that positive thinking it is NOT gender specific, it is NOT culture specific, and it is NOT age specific, IT IS positive thinking specific. The goal is to find the positive thinking objectives that are important to her. Failures happen and so do successes. Persist and surround yourself with Positive Thinkers, if this is not possible yet, then attend our FREE charity events.

We need a bigger venue to accommodate people in wheelchairs as well as to reach more diverse and socially challenged people, especially females, in the Sacramento and Placer County areas, who need to have a positive place to go and to learn about positive thinking, while also being entertained.

In our program, on the website and through social media, the nonprofit, Achieving Positive Thinking Worldwide (APTW) is showing positive gratitude by showcasing the many wonderful positive thinking sponsors, celebrities, advisor(s), and youth ambassador(s). APTW has over 50 volunteers and those who have participated in this charity event have returned and the volunteers who joined us on 9-15-18 will be returning next year!

### **Positive Achievements 2018**

1. Received a \$10,000 Google Ads Grant
2. \$1,000.00 donation pledge from the youth/Teen Ambassador, from Virginia, who flew in from Virginia to attend this charity event in California. She will be returning in 2019.
3. Received several hundred dollars in donations - this was used to pay for event expenses.
4. APTW received free media coverage from the local news station, Good Day Sacramento.
5. A fashion designer, who designed windows for Nordstrom's, as well as an Adjunct Professor will be returning as a Celebrity Judge in 2019.
6. The Executive Director was positively recognized by the Mayor of Elk Grove and awarded a medal and a certificate of recognition for her positive efforts to improve mental wellness through positive thinking.
7. Received positive support from the City of Elk Grove, Sam's Club and Walmart for the Celebrity Chef Cook Off 2018 project.

Lastly, Achieving Positive Thinking Worldwide (APTW) exists to help improve mental wellness, by providing fun and entertaining strategies to people, especially females, who are at risk of accepting depression due to negative factors, like teen pregnancy, drug abuse dependency and low wages, just to name a few. Who feel their lives have no value and no meaning. Positive thinking does work!

When people feel positive they can and will achieve their goals - their lives improve. The changes ripple outward into their households and into their communities!
